1 I, Mark McGeorge, declare as follows:

2 1. The facts set forth herein are true of my own personal knowledge, and if  
3 called upon to testify thereto, I could and would competently do so under oath.

4 2. I am one of the four named Plaintiffs in this action.

5 3. Throughout this case, I have understood and appreciated my role and  
6 responsibilities as a class representative. I have understood that it is my responsibility  
7 to look out for the best interests of all class members and to not put my own interests  
8 ahead of theirs. I have willingly and knowingly accepted these responsibilities and  
9 have carried them out to the best of my ability.

10 4. In or around February 2017, prior to bringing this lawsuit, I interviewed  
11 attorneys and ultimately selected Mayall Hurley, P.C., Ackermann & Tilajef, P.C., and  
12 Melmed Law Group P.C. to represent myself and the Class. It is my understanding that  
13 Mayall Hurley, P.C., Ackermann & Tilajef, P.C., and Melmed Law Group P.C. are  
14 experienced in litigating class actions.

15 5. In or around May 2017, I filed this lawsuit as a class action. By deciding  
16 to file the lawsuit as a class action, I agreed to pursue not only my own claims, but also  
17 the claims of all similarly situated individuals. In so doing, I agreed to put the interests  
18 of the class ahead of my own. I also agreed to participate actively in the lawsuit and to  
19 assume the risks of serving as a named Plaintiff and class representative.

20 6. In or around June 2018, I also retained Susman Godfrey, L.L.P. to  
21 represent me. It is my understanding that Susman Godfrey, L.L.P. is experienced in  
22 litigating class actions, particularly anti-trust matters.

23 7. On July 26, 2018, the Third Amended Complaint was filed adding the anti-  
24 trust allegations.

25 8. Since hiring Susman Godfrey, L.L.P., Mayall Hurley, P.C., Ackermann &  
26 Tilajef, P.C., and Melmed Law Group P.C. I have been in regular contact with my  
27 attorneys and participated closely with them in all phases of this litigation. I have spent  
28 considerable time helping the Class of individuals I seek to represent win compensation

1 from the Settling Defendants. The tasks I have been actively involved in included, but  
2 are not limited to:

- 3 a. Interviewing and selecting Class Counsel;
- 4 b. Providing documents to Class Counsel relevant to the claims at issue;
- 5 c. Providing statements of factual details to Class Counsel to assist them in  
6 understanding the nature of the Class' claims and to assist them in assessing potential  
7 damages;
- 8 d. Assisting in the preparation of the class action and the subsequent  
9 amendments;
- 10 e. Reviewing documents and policies produced by Defendants with Class  
11 Counsel to assist them;
- 12 f. Reviewing discovery responses to ensure accuracy;
- 13 g. Traveling to, preparing for, and participating in two separate full day  
14 depositions, one in October 2017 and another in May 2021;
- 15 h. Preparing for and participating telephonically in the mediations on behalf of  
16 the Class;
- 17 i. Participating in the settlement negotiations that culminated with the  
18 Settlements; and
- 19 j. Following up with Class Counsel on a regular basis to check in regarding  
20 the status of the case and whether anything further was needed of me.

21 9. Overall, I estimate that I have spent in excess of 250 hours of my time to  
22 help vindicate the rights of the Class.

23 10. Although this case has been actively litigated for more than 5 years, I have  
24 and remain willing to continue to pursue the claims against the Non-Settling  
25 Defendants.

26 I declare under penalty of perjury under the laws of the United States and the State  
27 of California that the foregoing is true and correct.
